

# **The Nutrition Implementation Coalition**

A coalition of organisations who believe we urgently need to raise the issue of a serious lack of nutrition training for health care professionals, leading to a largely neglected element of patient care and population health.

*Key organisations forming a coalition under the umbrella of the NNEdPro–  
ERimNN UK and Ireland Regional Network*

NNEdPro

ERimNN

Nutritank

Culinary Medicine UK

## Quality Assurance

Extensive experience in education, implementation and associated research
