# THE NEED FOR NUTRITION EDUCATION/INNOVATION PROGRAMME (NNEdPRO) STORY

2008

2018

The Early Years  
2005-2007

NNEdPro Phase 1  
Launched 2008-2010

NNEdPro Phase 2  
Launched 2010-2013

NNEdPro Phase 3  
Launched 2013-2016

NNEdPro Highlights 2015 to 2017

NNEdPro 10<sup>th</sup>  
Anniversary

NNEdPro's work plan aligned  
with UN Decade of Action on  
Nutrition to 2025

Council of Europe Alliance UK  
on Hospital Food  
and Nutritional Care

Group founder members  
move to Cambridge  
University with NIHR  
funding and establish  
NNEdPro as an educational  
and research innovation  
project.

NNEdPro approached by  
Cambridge University, to  
teach nutrition education  
to Cambridge medical  
students.

NNEdPro group develops  
and delivers face to face,  
online and blended  
learning courses and  
training materials.

**Feb 2015**  
NNEdPro Network in India  
launched

**Aug 2015**

1<sup>st</sup> Annual International Summit  
on Medical Nutrition Education  
and Research

Global Open Data  
for Agriculture & Nutrition

GODAN named as  
strategic partner

**Strategic Partner  
Organisations in 2018**

**New:**

**Nutrition in Medicine**

**Imperial College  
London**

**UNIVERSITÀ DEGLI STUDI  
DI PARMA**

**Continuing:**

**UNIVERSITY OF  
CAMBRIDGE**

**CAMBRIDGE UNIVERSITY  
Health Partners**

**BDA**

**GODAN**

**Society for  
Nutrition Education  
and Behavior**

**Ulsater University**

Active projects and services include:

International Academy of Nutrition  
Educators (IANE)

Draws from longstanding experience  
developing and delivering high quality  
education and evaluating impact on  
healthcare practices.

Implementation Research and  
Consulting in Nutrition (IRCIN)

Consulting services and action-  
orientated research, design and  
conduct education and  
implementation programmes for  
individuals or organisations.

Nutritional Equity and Population  
Health (NEPH)

Future vision includes forming a UK  
registered charity, NNEdPro  
Nutritional Equity and Population  
Health (NEPH).

Nutrition Research and Innovation  
Consortium

Brings together key strengths of  
existing alliances with potential for  
additional collaborations.

British Dietetic  
Association and  
Hospital Caterers  
Association  
partnership

Partnership with  
British Medical Association

Project incorporated within DH  
Nutrition Action Plan (2007)

**NHS**  
**National Institute for  
Health Research**

Project supported by  
Abbott Nutrition and  
National Institute for  
Health Research

NNEdPro delivers  
nutrition education to  
students and  
practitioners.

NNEdPro responsible for  
delivery of nutrition  
education to medical  
students.

Visiting scholar scheme  
with  
Wolfson College  
University of Cambridge.

Nutrition and Vascular  
Studies and  
Cardiovascular/Metabolic  
Risk Management

**Mar 2016**  
NNEdPro Australia-New Zealand  
Network launched

**Jun 2016**

2<sup>nd</sup> Annual International Summit  
on the Importance of Nutrition  
in Public Health and Healthcare  
1<sup>st</sup> Cambridge Summer School in  
Applied Human Nutrition

Summer School and Summit  
accredited for Continuing  
Professional Development by  
Royal College of Physicians and  
Royal Society of Biology.

**2016**  
International knowledge  
exchange symposia in  
Kenya, India, Singapore,  
Australia, New Zealand,  
USA, Canada, Italy, Finland,  
Switzerland and Morocco

**2016 - 2017**

Key Collaborator in  
More-2-Eat project, a  
Canadian Malnutrition Task  
Force study

Integrated Nutrition Pathway  
for Acute Care (INPAC) toolkit  
provides an overview of what  
and how to change to  
improve hospital nutrition  
care practices.
